“Websites and Hosting Services”

There are four aspects to creating a website and going online:

- 1. Name It*** Register a unique website name.
Only \$39.95* + GST per year.
- 2. Host It*** Find a reliable web hosting company.
We are proud to be affiliated with Webquest Ltd, a local Wanganui owned business to host all our websites.
Web hosting starts at only \$139.95* + GST per year.
- 3. Evaluate** Consider your Objectives. Assess “Why?” and “What do I want to achieve?”.
- 4. Build It*** Publish a dynamic and compelling website.
In association with Webquest Ltd we will build and release your uniquely designed website live onto the world wide web.

Register a Domain Name

Domain Names can generally be registered at a cost of only \$39.95* + GST. There is an annual fee and is renewable on the anniversary of the registration date.

By registering your very own domain name, you can have your own website at www.yourname.co.nz and your own customised email address like you@yourname.co.nz

A domain name (or website address) is the unique name you use to identify and access websites on the Internet. www.meteorprinters.co.nz is the domain name for our website. It is also how you describe the name that is to the right of the @ sign in an email address, and sales@meteorprinters.co.nz is an email address which uses our domain name.

Hosting Your Website

“Hosting” is the term used for the service required to display your website on the internet, for anybody in the world to see. A standard Hosting account is priced at a very competitive \$139.95* + GST per annum through our web hosting partner. Hosting accounts renew annually, on 1st July and subject to price change.

Evaluating what you need

To get started we need to know what exactly you want to promote on your web page. All copy/wording/images will need to be supplied if we do not have that already. Extra charges will occur if we are to create new artwork or take images.

Creating your website

If you're already a loyal Meteor customer we will have all your details, logos and images ready to create your website. Let our designers create a great looking website that compliments your business, without the hassle of searching and supplying files to another designer. You will be required to provide the text content in word format. We will provide you with a printed proof of your online website, before we send your files to be published. Once satisfied with the way your website looks, will send your website to be launched onto the world wide web.

Completion of your website

When your website is live you then also become a customer of Webquest Ltd who will bill you for your annual hosting and domain name.

Updating your website; specials, newsletters, images and details can be made through Meteor Design.

*These services will be arranged through our affiliate “Webquest Ltd”, Wanganui.
* Prices subject to change.
